Subject : MK CALL TO METTLER -Reply

MK did speak with Mettler, per Bingamin's request. Mettler said no to Chairing the Commission and sent some suggestions of other possible chairs, none of which were overwhelming.

I sent an E mail around last Thursday but I never actually talked with MK. Do you know if he tried to call Ruben Mettler regarding the Bingaman Commission ? If not, we'll have to figure out a way to help get a head of this thing before the Bingaman office needs to be admitted to a therapy unit. Thanks.

Hi Jeff -- Nancy said that you had prepared a memo summarizing the Hollings trade bill, however, she can not locate it. Could you please send her another copy? Also, Charlene asked today what was in it, so could you please send her a copy as well?

THanks.
